Volunteer & Board Diversity Statement

Cards2Warriors, Org. Inc., (herein referred to as Cards2Warriors), is a federally registered, 501c3 non-profit organization, that is run by an incredible group of remote working and volunteer run organization. This includes all our Executive Board Members, Advisory Board Members, and all of our incredible volunteers who work with us from all over the world.

OUR COMMITMENT TO AN INCLUSIVE ORGANIZATION

We expect that members of our Executive Board, Advisory Board, and all of the volunteers of our organization will consist of people who are committed to helping our organization bring a smile to someone who is struggling. These people could be a caregiver, a medical professional, an individual with a rare disease, disability, chronic illness, chronic pain, or the family member of one of those groups. No one is immune to having their life turned upside down by their health, or the health of a loved one. Life is unpredictable, and sometimes curveballs are thrown our way that we have no control over, and that can be so incredibly daunting. All of us at Cards2Warriors know this personally.

We aspire and make every reasonable effort to develop an Executive Board, Advisory Board, and volunteer base that reflects that diversity. Nearly all of our volunteers and card artists are warriors living with a health condition that can be isolating and make daily life a struggle. We believe that by matching our own diversity to those who we are supporting, we continue to strengthen our organization, enhance our decision making and accountability to our organizations mission, and build and broaden the community of volunteers and funders, whose participation is so essential to our shared success.

If you are interested in volunteering with us, please do not hesitate to fill out our volunteer interest form on our website, located here: <https://www.cards2warriors.org/get-involved> and fill out the volunteer interest form. Be sure to comment on the form with what position(s) you are interested in doing. You will then receive a follow up e-mail from hi@cards2warriors.org to schedule a call with our Executive Director, Dawn Veselka. Thank you for your interest in joining our mission to support illness Warriors worldwide!
